

WindsorFest Silent Auction Catalogue

October 16th 2016 10am - 4pm

Silent Auction opens at 10am and closes
sharply at 2:30pm

Lot #1: Accommodation at Stradbroke Island - Mintee on Deadman's, **Donated By:** Thurlow Family

7 nights accommodation on Stradbroke Island

Accommodates 8: 1 x Queen Bed, 1 x Double Bed, 1 x Set of Bunk Beds & 2 x Single Beds

Mintee on Deadman's is an absolute beachfront apartment at Point Lookout, North Stradbroke Island. With magnificent north-east facing ocean views from every bedroom and the new kitchen, this beautifully presented three-level unit is only seconds to the secluded Deadman's beach.

One of the most sought after positions at Straddie – only a stone's throw from Brisbane across Moreton Bay – Mintee on Deadman's is the ideal luxury family holiday rental. Well-appointed and always updated, the apartment sleeps eight with four bedrooms and two bathrooms.

The covered north-easterly facing deck is perfect to sit and watch the migrating whales or check the surf, or catch the summer ocean breezes or warming winter sunshine.

Not available during School Holidays or when there are existing bookings.

Lot #27: "The Perfect Facial", Donated By: Perfectly Smooth

PerfectlySmooth

BEAUTY...INSIDE & OUT

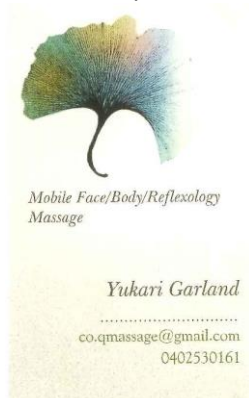

"The Perfect Facial" is a wonderful treatment that deeply cleanses and hydrates the skin. Wonderful before a big event or to just make your skin glow.

Value: \$110

Starting Bid: \$11

Buy It Now for: \$94

Lot #28: Japanese Face Lift Massage, Donated By: Yukari Garland

A 45min Face Lift Massage using the lymphatic drainage & symmetry technique originally from Japan.

The philosophy behind this massage is to loosen up the facial muscles & scalp, push all the impurities toxins and fat to the lymph node. The scalp massage is really good for relaxation. There are no oils used for this face massage, so no need to take your make up off.

Value: \$40

Lot #32: Davey PoolSweepa Suction Cleaner, **Donated By:** Rode Pool Services

The Davey PoolSweepa Suction Cleaner is easy to connect through a skimmer box or dedicated suction line of an inground or above-ground pool.

It's light-weight design combined with a 10.4m spiral wound vacuum hose, enables it to move and clean rapidly across pool floors and walls.

The diaphragm system ensures very silent operation, easy passage of debris and low maintenance owing to just one moving part

Note: Not suitable for soft wall or inflatable pools.
