Daniel's Journey

Many years ago, in an unknown land, lived a child named Daniel, he was seven years old. He lived all alone in the woods. He had a horse, which was his best friend.

One day he decided to go on a journey and search for food with his horse.

The Journey was long and difficult.

Daniel and his horse went threw dangerous swamps, great mountains, struggled wild animals and sinking sand.

Daniel passed the boundries of the forest, coverd with mud, He and his horse

were very hungry, thirsty and tired.

Daniel was sad and exhausted,

when suddenly he saw from afar lights.

when he came close, he noticed it was

flashlights, he was happy to see a family

of 2 boys and a mother and a father.

When the family first saw him, they were

scared. The parents thought he needs help

so they helped him clean himself and afterwards

gave him food and drink.

Daniel felt in his heart that they were kind

and asked to stay with them. They agreed

and Daniel was extremely happy!

The End.
