

Harmony Day

By Matilda

50

The world is full of different people,
But all of them belong.
So join us in Australia to sing a special song.

Harmony Day gets us all together,
To help us get along.
And in our country Australia,
Everyone belongs.

In Australia everyone gets peace,
We feed the starving beggars
In the cheery streets.

In Australia everyone belongs,
While holding hand in hand,
We sing some happy songs.

Let's sing our special harmony song,
To show to everyone here
That if you live in our country,
There's no need to fear.
