BOOK WEEK

We're celebrating Book Week at Windsor for Years 3, 4 and 5 students
with a visit from Australian author Pat Flynn.

Who:
Years 3 , 4, 5
students

Date:
Tuesday
15 August

Pat Flynn grew up running around an old dairy farm in Queensland, before moving to Canberra to attend the Australian Institute of Sport on a tennis scholarship. After playing and coaching on the professional circuit he became a teacher, where his observations of young people - their interests and stories - led to him writing about them.

Pat Flynn now writes books for a living, in a house near the beach on the Sunshine Coast.

An invoice of \$5 will be issued to all parents online for students to attend this session.
