

# COMMUNITY JAM WORKSHOPS

## Children & Adults

**Calling all creatives young & old you're invited to be part of the SAO Community Jam Workshops running through October - December 2017.**

The SAO team of wonderful teaching artists are there to nurture your creativity. These workshops will be a fun & supportive opportunity to immerse yourself in music-making heaven, where participants will learn how to jam in groups, create new sounds, songs and learn about other cultures and styles.

Morning sessions are for the younger creatives and afternoons for open age group.
