

ENRICHMENT NEWS

The Christmas Ornament Competition is generating a lot of interest. Some children have spent some time in the lab getting familiar with the Tinkercad program. To help them along, it is recommended they set up their own account and have a play at home. I have attached the instructions below. It should be fairly straight forward.

www.tinkercad.com

If you are happy with that, please help your child generate a username and password (**that they will remember ☺**). We look forward to seeing what your child comes up with.

I will be holding lunch time sessions

Wednesday 2nd Break

Thursday 1st Break

Friday 1st Break.

As mentioned in the flyer, the top 20 get their design printed. As it is Christmas and a time for giving, I think it is worthwhile that our children are encouraged to think of the less fortunate. For this reason, the **winner** of the 3D Christmas Ornament Design will have the choice to give \$50 to a chosen charity. For example;

- World Vision – A gift that last a lifetime
- The Smith Family – Educational program for the disadvantaged
- Salvation Army Christmas Appeal

These are just an example. I am sure there are many other worthwhile causes that we can consider.

2. Create your account

a. Complete this

This form is titled "Create account" and includes the Autodesk logo. It has a "Country" dropdown menu set to "United States". Below that is a "Birthday" section with three dropdown menus for "Month", "Day", and "Year". A blue "NEXT" button is at the bottom. At the very bottom, there is a link: "ALREADY HAVE AN ACCOUNT? SIGN IN".

b. Complete this

This form is also titled "Create account" and includes the Autodesk logo. It has an "Email" input field and a "Password" input field. Below these is a checkbox labeled "I agree to the Tinkercad Terms of Service and the Autodesk Privacy Statement." A blue "CREATE ACCOUNT" button is at the bottom. At the very bottom, there is a link: "ALREADY HAVE AN ACCOUNT? SIGN IN".

3. Your account is done! Happy Tinkering!!!
