

... and that's a wrap!

The 3D printers have FINALLY stopped and the decision has been made. After much discussion and amazement at the cleverness of your children it was decided to award a first for younger years and a first for older years.

It is with much pleasure that I announce the winner of the younger years.....

Josie W - An Aussie Snowman

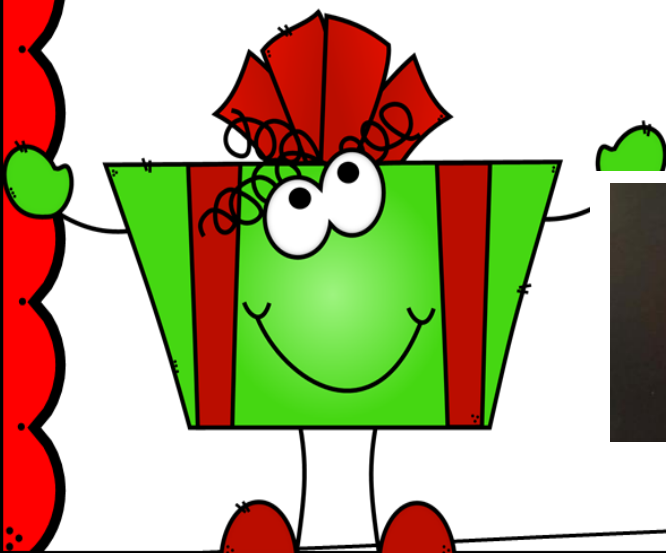

And the tied winner of the older years to

Mia S - An Aussie Santa and Samantha S - Santa's train

The girls can decide where they donate their prize money.

Take a look at the amazing 3D designs created.

I would also like to congratulate the Year 5 and 6 students who participated in the AMT Maths Enrichment Program. A VERY challenging program that ran over two terms. I would like to acknowledge Emma F Year 6, Jake L Year 5, and Monica T Year 5 who received a High Distinction, Jaime P Year 6, Liam H Year 5, Joe H Year 5 who achieved a Distinction, Evan B, Rohan B, Gemma H, Perry I, Lachlan M and Matilda T who received Credits.

Well done everyone. It was a tough slog and you did it!

Merry Christmas Windsor Families. I look forward to doing this all again next year!

Happy Days
