

# Drama Classes

## Windsor State School Drama Classes

Our Superstars class for Prep to Year Six will commence **Wednesday 6 February** from **3:10pm to 4:25pm** in the Music Room.

- ★ Do you want your child to have a clear and expressive voice for school presentations?
- ★ Are you looking for an activity for your child that is both fun and educational while inspiring imaginative thinking and teamwork?
- ★ Drama encourages confidence, communication and imagination!

We are very excited to announce that our unit for **Semester 1, 2019** is an adaptation of Roald Dahl's classic story **Charlie and the Chocolate Factory!** Students are invited to use their imagination as they explore the marvellous and mysterious world featuring Charlie, Grandpa Joe, the Oompa-Loompas, Willy Wonka and many more zany characters. We are now moving to a new format and performances will be held at the end of each semester.

In term one, students will focus on developing skills in many areas of speech, drama and public speaking. Our lesson plans will focus on clear and effective speech, how to use pace, pause, emphasis, intonation and enunciation, as well as posture, breathing and stage presence. Students will be encouraged to achieve their very best in our supportive class environment. They will enjoy the various drama games and activities that make learning incredibly fun! In term 2 we will use the presentation skills learned to polish our performance of Charlie and the Chocolate Factory to share with an audience of family and friends at the end of the term.

**Enrol or register for a NO OBLIGATION TRIAL LESSON**
