

Hello Windsor Families,

This year is flying by, and they say time flies when you're having fun! This year has been full of fun experiences and as we approach the last few weeks of Term 1, we see the children confidently contributing their ideas to the program and menu.

The children's ideas inspire our program and we are continually planning activities that interest and engage the children, specifically through our diverse range of clubs. These clubs include; cooking club, culture club, sustainability club, expressive club, science club, sports club and art club. If you or your child/ren has an idea for an activity or a new club we can create, please see one of our friendly Educators.

We update and display our Windsor Weekly Program on the whiteboard located behind the office desk. Alternatively, please feel free to check out the program on the parent's noticeboard. Throughout the term, the children have enjoyed participating in a mixture of spontaneous and intentional self-guided activities.

Our Vacation Care Program is out now, and bookings are now open. Please get in quick to secure a spot by submitting booking through the online iParent Portal at helpinghandsnetwork.com.au.

Please see the attached Vacation Care Program for some fun these coming school holidays.

As the School Disco is this Thursday, this is a friendly reminder that your child/ren must be booked into our care to be accompanied and supervised during the Disco (Prep – Year 2 Disco ONLY). Permission forms will also need to be signed to ensure this is possible. Students will arrive back to our room by 6:25pm for collection.

The Helping Hands Windsor Team

Our morning Acknowledgement to Country
